Product description

Hydroliq DESINFECTA *Plus* is an electrochemically modified solution without synthetic additives. Hydroliq eliminates 99.99% of all bacteria, viruses, germs, spores and fungi.

The pH-neutral disinfectant solution is very stable. Stability is guaranteed for 12 months after opening, provided the product is stored correctly (sealed).

Unique hygiene technology

Unlike conventional disinfectants, Hydroliq solutions leave no corrosive and/or toxic residues for the user and/or the environment.

Application

Hygienic hand disinfection: Apply 3ml of the undiluted solution to the dry hands.

Apply to hands and rub in for at least 30 seconds. If possible, remove visible soiling of the hands with soap and water before disinfection.

For professional and private use.

Certification

Hydroliq DESINFECTA *Plus* has been dermatologically tested by Dermatest and found to be "VERY GOOD"

Hydroliq DESINFECTA *Plus* is Halal certified.

Approval number: CHZN5775.03.003

Composition
