Product description

Hydroliq ANIMAL HOME is an electrochemically modified solution, without synthetic additives. Hydroliq eliminates 99.99% of all bacteria, viruses, germs, spores and fungi.

The pH-neutral disinfectant solution is very stable. Stability is guaranteed for 12 months after opening, provided the product is stored correctly (sealed).

Unique hygiene technology

Unlike conventional disinfectants, Hydroliq solutions leave no corrosive residues for the user and the environment.

Application

Spray evenly onto the surface for disinfection. No contact time is required.

Area of use

Skin, mucous membranes, ears and fur
Water and food bowls
Cages, transport boxes
Aquariums and terrariums
Chew toys
Collars and leashes
Drinking water

Handle biocides with care. Always read the label and product information before use. Safety data sheet available on request.

Certification

Hydroliq ANIMAL HOME was dermatologically tested by Dermatest and found to be "VERY GOOD".

Approval number: CHZN5775.03.002

Composition

Active chlorine released from hypochlorous acid. 500ppm
